

Rani Ali - Recommendation Letter

I am delighted to endorse Rani Ali for his exemplary work and accomplishments during his Fullstack Developer internship at Samplelead. Rani consistently exhibited excellent technical skills and a strong commitment.

Rani's notable achievements include:

- **Implementing Slack integration** into the Samplelead website, enhancing our communication efficiency.
- Demonstrating expertise in **integrating AWS services**, such as EC2 and ECS, further showcasing his problem-solving skills.
- Mastery of **ReactJS, NextJS, TypeScript, JavaScript, Node.js, Express, and MongoDB**, indicating his broad and adaptable technical knowledge.

Rani's commendable qualities include:

- **Exceptional ability to adapt and learn new technologies** quickly.
- Effective **teamwork and communication skills**.
- Steadfast **dedication and patience**, particularly during challenging scenarios.
- **Eagerness to learn** and assimilate project management practices swiftly.
- Proactive contributions to our workflow as a **full-stack developer**.

Rani has indeed left a remarkable imprint during his tenure at Samplelead, delivering high-quality solutions with his technical prowess, collaboration skills, and continuous learning spirit. I wholeheartedly recommend Rani for future opportunities in full-stack development. Please reach out if you need more details.

Sincerely,

Yotam Nahum
Samplelead's CTO
